

Public Property Permission and Waiver Agreement

1. _____
_____ (AGENCY) hereby expressly grants permission to Deschutes County, its officials, employees, volunteers, representatives, or agents, to enter upon _____
_____ (JURISDICTION) -owned property known as _____
_____ (NAME) located at _____
_____ for the dates beginning _____, and ending _____, from sunrise to sunset. This permission is granted for the sole purpose of allowing volunteers to perform the following project activities: collecting litter, transporting debris, removing noxious weeds and invasive plant life, planting vegetation, cleanup, beautification and enhancement project activities, as directed by _____, on such property.

2. _____ (AGENCY)
agrees that this permission is granted on a completely voluntary basis. _____ (AGENCY) has neither received nor expects to receive any form of compensation for this permission to perform cleanup project activities upon the public property.

3. _____ (AGENCY)
agrees to waive any and all claims it may have against Deschutes County, its supporters, employees, volunteers, representatives or agents, arising from or related to the permitted project activities, as described in paragraph 1, above. _____ (AGENCY) is not required to indemnify or defend Deschutes County, its supporters, employees, volunteers, representatives or agents, against any third party claims. This Property Owner Permission and Waiver Agreement shall act as a complete bar against _____ (AGENCY) for any claims it may have against Deschutes County, its supporters, employees, volunteers, representatives or agents, arising from or related to the permitted project activities, as described above, and this Agreement shall warrant immediate and final dismissal of such claims, if any such claims are brought by _____ (AGENCY).
However, this Property Owner Permission and Waiver Agreement shall not act as a bar against any third party claims against Deschutes County.
